## Questions

**Q. I'm not sure if it's worth buying a pass, how much is daily entry?**

A basic entry is

£2 for adults and £4 for children.

A day ticket to include the slides & rides costs £10.

If you think you'll visit 4 or more times, buying a pass will save you money.

**Q. How long do I get on the karts?**

Each turn will be 15 minutes long but you may queue up as many times as you like.

**Q. How much would the rides cost without a pass?**

The 'pay as you go' charges are:

**Flying Fox £1      Bike (30 mins) £5**  
**Down the Hatch £1      Kart (15 mins) £3**

**Slide & Ride** passes entitle you to unlimited rides. You only need to visit three times, having one go on the karts each visit to make it worth buying a

**Q. Are there any other benefits?**

Yes, there will be discounts in the tearoom for pass holders. Full Season Pass holders also get a free farm tour worth £5.

**A season pass will save you money if you visit us at least four times in a year.**

**If you want to visit at Easter & in the summer holidays choose our 'Full Season' pass.**

**If you prefer to visit at quieter times, choose our 'Weekends & After School' pass.**

**Q. Will the karts be open all day?**

There are some mini karts for toddlers that will be freely available all day every day. The karts for big kids and adults will be available after school in term time and from 11am to 5pm at weekends. NB. Opening times will be 10-5pm daily and 10-6pm in July & August.

**Q. Can I lend my pass to friends for them to use?**

No, the pass is only valid for those named on it.

But you may bring guests with you and pay just £1 for extra adults to enter. Additional children would be charged our usual day rates.

**Q. I'm over 60, do I need a pass?**

No, you get in free anyway.

**Q. If I buy the Weekend & After School Pass, can I still come in August?**

You can come at the weekends in August but your pass won't be valid Monday to Friday so you would be asked to pay the standard day entry price. If you think you will visit during the Easter & Summer holidays, it would be cheaper for you to buy the Full Season Slide & Ride Pass.

**Q. Should I buy a pass for my toddler?**

Children aged 1 & 2 are free. Those aged 3 are charged.
